## Milam County Farm Bureau to Celebrate Sixth Anniversary

### Red Cross Campaign To Be Memorial Of Late Jamie Clark of San Gabriel

Milam County's 1954 Red Cross campaign for members and funds during March will be a memorial in honor of the late Jamie Clark, of San Gabriel, a long-time volunteer Red Cross worker.

Clark died Monday, January 18 and funeral services were held the following Wednesday with burial in the Locklin cemetery.

In reporting action taken by the Milam County Red Cross Chapter Board of Directors in meeting January 26 in Cameron,

### Mrs. B. H. Meyer, 91 Dies in Westphalia; Rites Held Friday

Funeral services were held Friday for Mrs. B. H. Meyer, 91, the oldest citizen living in the Westphalia community, at the Church of the Visitation in Westphalia at 9 a.m. with Rt. Rev. R. P. Schertz, pastor, officiating.

Rosary was said at 7:30 p.m. Thursday at the L. F. Wusch home in Westphalia.

Mrs. Meyer died unexpectedly Wednesday at about 9:30 p.m. at the home of her daughter, Mrs. L. F. Wusch, in Westphalia.

Mrs. Meyer was born in Germany and came to America when a young girl. She settled at Kyle moving to the Westphalia community in 1908.

Survivors include two sons, Henry Meyer and Herman Meyer, both of Westphalia; four daughters, Mrs. Mary Miekamp, Temple; Mrs. Annie Johnson, Lockhart; Mrs. J. G. Gamsemer, Westphalia and Mrs. Wusch.

She was preceded in death by her husband in 1945.

Nicholson funeral home in Rosebud was in charge.

Mrs. Meyer was an aunt of Mrs. John Karnowski of Cameron.

### Funeral Services Held Sunday For Mrs. Ed Harris

Funeral services were held on Sunday, February 7 for Mrs. Ed Harris, 68, at the Marek-Burns Funeral Chapel at 4 p.m. with Rev. Aubrey F. Russell, pastor, officiating. Burial was made in Oak Hill Cemetery.

Mrs. Harris died Saturday in Austin. She was a former resident of Cameron.

Survivors include four daughters, Mrs. Norene Beck of Austin, Mrs. Wayne Pemberton of Houston, Mrs. J. H. Angell of Cameron, Mrs. Phillip Treemont of Bryan, nine grandchildren and seven great-grandchildren.

She is also survived by one brother, Lee Hermond of Crystal City and two sisters, Mrs. Mary Turner of Houston and Mrs. Otha Case of Houston.

### Five Holidays For 1954 Chosen By Cameron Business Men In Poll

In the recent holiday schedule poll conducted by the Cameron Chamber of Commerce five holidays were chosen by the business men, who are members of the

local Chamber of Commerce. According to Robert D. Abel, Jr., manager of the Cameron Chamber of Commerce, sixty-eight

Jack W. Prescott, chairman, said that it was the unanimous decision of the board to recognize the "lifelong, tireless and effective work of Jamie Clark in Red Cross and other civic welfare activities, through a 1954 Jamie Clark Memorial Campaign for Red Cross members and funds throughout Milam County."

The Rev. Burton Smith, of Rockdale, has been named county chairman of the drive for funds and members which is scheduled to get under way on a national basis March 1 and continue through the month.

Smith is busy now arranging his schedule and formulating plans for the county-wide drive and appointing chairmen for the various communities.

### Roy Wayne Lindsey Grabs 250-Pound Black Angus Steer

The Sunday edition of the Houston Post carried a large picture of a Milam County product on its front page. Shown on the two column, 8 inch cut, with the Black Angus steer, that he caught was 12 year-old Roy Wayne Lindsey, son of Mr. and Mrs. Bruce Lindsey of Cameron.

The article read as follows: "The smallest boy in the Houston Fat Stock Show and Rodeo Calf scramble Saturday morning was 12 year-old Roy Wayne Lindsey of Cameron, a 65 pounder who wrestled a 250-pound Black Angus steer all over the arena before he finally dragged him over the finish line. Elated, the boy kept shouting, 'I got a calf! I got a calf!'"

Roy Wayne is a student in the Maysfield school.

Several Milam County boys entered the show. They are under the direction of J. D. Moore, Milam County Agriculture Agent.

### Health Unit Reports 215 Cases Of Influenza Last Week

Dr. John B. Bryson, reporting physician for the Milam County Health Unit, reported at the conclusion of last week, two-hundred and fifteen cases of influenza were recorded on the official records of the Unit.

He also reported that four cases of pneumonia were recorded.

Measles were also on the up rise as there were thirty-four Milam residents with the disease during the past week.

Other cases listed by Dr. Bryson were eight of strept. throat, inc. scarlet fever, one of gonorrhea, one of shigellosis and one case of chicken pox.

The weekly report covered the week beginning Sunday, January 31, and ending Friday, February 5.

### Five Holidays For 1954 Chosen By Cameron Business Men In Poll

### Baptist Worker's Conference To Be Held Friday Night

Workers from the Baptist churches in Milam County will gather at the Little River Baptist Church Friday evening, February 12, for the Monthly Worker's Conference, announces Rev. Aubrey F. Russell, moderator.

The theme for the conference is "Growing Training Unions". The Executive Board's meeting is scheduled to begin at 5 p.m., followed by supper at 6 p.m. The program is scheduled to begin at 7 p.m.

H. F. Schulz of Burlington will lead the song service during the conference.

The Adult Union I of Cameron First Baptist Church will conduct the "Adult Training Union Program Demonstration". Mrs. Auttis Franklin, is the local president.

The Young People Department of First Baptist Church, Cameron, will render "What Training Union Has Done For Me - Testimonial". Donald Rose is president of the local department and he will be assisted by James Posey, Kenneth Cryer and Billie Joe Reynolds.

The principal evening message will be rendered by Rev. Louis B. Jones, Rockdale minister.

Rev. Russell also announced that regional Sunday school training will begin Monday evening for all Sunday School workers. Schools will be located at Milam First Baptist Church with M. M. Fox, pastor, in charge; Thorndale Baptist Church, with Rev. Horace Whiteside, pastor, in charge and Cameron First Baptist Church with Rev. J. Frak Steel, pastor, Battetown Baptist Church, in charge.

### Milam Boys in Stock Show Bring Home Honors; Win Calves

J. D. Moore, Milam County Agricultural Agent, reported Tuesday that the Milam County entries in the Houston Fat Livestock Show came out with several places.

Rex McClaren of Marlow community and Carroll Wayne Jungmann of Buckholts each grabbed a calf in the Beef Scramble.

Johnny Gilbre of Ad Hall community, and a Cameron FFA student, also entered the Beef Scramble.

Rex McClaren's entry in the Beef Division, Shorthorn, placed fourth. Placing eighth in the same division was the animal belonging to John Robert Caffey of Sharp.

Bob Matyastik of Cameron, entered the same division and his animal took 15th place.

Taking 23rd and 30th place was the animal belonging to Ferol Angell of the Sharp community.

Also taking part in the show was Roy Wayne Lindsey of Cameron. Roy Wayne entered the calf scramble and came out on top with a 250-pound steer.

The boys were accompanied to Houston by the County Agent J. D. Moore. They were directed by him and their high school agricultural teachers.

### "42" Party To Benefit MOD Drive

The Explorers Scouts of Milam County will sponsor a Benefit "42" Party at the Simon-George Memorial Hall Monday, February 15 at 7:30 p.m.

The party will be benefit of the March of Dimes drive.

The public has been invited and urged to attend. The Explorers are selling admission tickets and those wishing to purchase them early may secure one from an Explorer.

The Simon-George Memorial Hall in Cameron will be the scene of the sixth anniversary celebration of the Milam County Farm Bureau when members, their families and friends gather for the annual Farm Bureau Day Thursday, February 18.

The program will begin at 10 a.m. with President John A. Smith calling the meeting to order.

CHARLES C. SMITH, JR.  
— Principal Speaker —

der. County Judge Charles C. Smith, Jr., will give the address of the day speaking on, "A Program For Rural Roads in Milam County", which is of vital interest to every citizen of Milam County.

The public schools of the county will participate on the program and at noon a basket dinner will be spread with each family bringing a basket of food. It was announced that plates, cups, forks, spoons bread, coffee, cream and sugar will be furnished by the Farm Bureau.

The afternoon program will be filled with speakers from the Service Departments of the Farm Bureau, and a drawing by boys and girls of Milam County for the Swine Program sponsored by the Milam Farm Bureau. The general program will end around 4 p.m.

The Milam County Farm Bureau was organized in the spring of 1948 by a group of interested (See Farm Bureau - Pg. 10)

### J. R. Bush Explains Effect Of Cold Weather On Gas Consumption

Cold weather which began in late December and included the freezing rain and sleet storm of January 21, accounted for 38 per cent more heating weather for Cameron residents during January this year than last year, according to J. R. Bush, local manager for Lone Star Gas Company.

Basing his finding on U. S. Weather tabulations, Bush was answering a query from the Cameron newspaper to explain the effect of this year's cold weather on gas consumption as reflected in current gas bills.

"While rates for gas service increased in Cameron, the cold weather has had considerable bearing on January gas bills," Bush said.

He explained that heating weather, of which there has been considerably more this year, exists whenever the average temperature falls below 65 degrees.

"According to weather statistics, every day except one in the 30-day period through January 25 this year, has required heat for comfort because the daily average temperature has been 65 or less," Bush said.

During the period there were nine days when the average temperature fell below freezing and on only one did the average warm up to 67 degrees."

For the same period in 1953, he pointed out, there were only two days, as against nine this year, when the average temperature was below freezing.

The highest average daily temperature for the 1953 30-day period was 69.

U. S. Weather Bureau people, explains Bush, figure this heat-

### Harold Moore Speaks To Farm Bureau Directors

The regular meeting of the Board of Directors of the Milam County Farm Bureau was held Thursday night in the Farm Bureau office with President John A. Smith, Jr. in charge of the meeting.

Highlight of the evening was the presence of Harold Moore, area sales supervisor of the service program. Moore is working out of the Texas Farm Bureau Office in Waco, and he spoke on the different service features of the Farm Bureau.

During the course of business, Miss Lenora A. Bickett, secretary treasurer gave the financial report of the club and called the roll. William F. Arthur, service agent, gave the service report.

The budget for the fiscal year of 1954 was presented and adopted by the Board of Directors.

The chicken committee which had charge of the chickens presented to two girls at the 1953 Farm Bureau Day was present to give their report. Serving on this committee were Mrs. Theo Fuchs, Mrs. Alice Hughes and Mrs. Robert Jungmann. These ladies kept a close tap on the two young ladies who received and raised the chickens during the past year, and they reported of the progress made.

Winners of the chickens last year were Mary Ann Swanzy and Alice Marie Ottmer. Mary Ann will receive \$10 and Alice Marie \$5 from the Farm Bureau for their work. These awards will be made on the Annual Farm Bureau Day on February 18. It was added that this year both girls and boys would compete in the one contest sponsored by the Farm Bureau. This year a combined "swine program" is planned by the organization.

### Clarkson Community MOD Drive Nets \$42.48

Mrs. John Matyastik, chairman of the Clarkson March Of Dimes Drive reported a total of \$42.48 was contributed by the people of the Clarkson community.

Most of all the chairman wished to express her appreciation and thanks to everyone who contributed, and especially to those who helped make the drive a success in that community.

### Cameron Library Board Formed

It was announced Monday by Rev. Jim McKeown that a formal Library Board for Cameron had been formed. This board will consist of Oxsheer Smith, Mrs. W. O. Triggs, Mrs. W. G. Gillis, Mrs. John Henderson, Bill Wallace, Rev. Jim McKeown, Mrs. Clifton Jenness, Gene Blake and Dr. George Bowman.

Some of these members will serve for one year, some for 2 years and some for 3 years. At the end of each year, three new members will be elected to serve for 3 years.

Progress for the library itself has been progressing rapidly. Two rooms in the G. I. School building on the old Cameron Elementary School grounds will be used. Mr. Derby, manager of Cameron Country Club donated labor to paint these rooms. Shelves, desks, tables and office machines have been arranged for and it is estimated that the present facilities will hold about 3 or 4 thousand books.

Several donations have been made in the form of both books and money. Further donations are urgently requested. Anyone wishing to give books may leave them any time during the day or

### Highway Department Will Open Bids On Milam FM 485

Bids on 611 miles of highway construction work will be opened by the State Highway Department, Feb. 16-17.

The work will include approximately 133 miles of farm to market roads. Included in the farm to market roads will be the construction of 7.102 miles from Buckholts to Yarrington on Highway No. FM 485 in Milam County. The farm to market road calls for grading, structure, base and surfacing.

Bids on the road will be received at the Highway Department, Austin, until 9 a.m. Feb. 17 and then publicly opened and read.

The highway construction also includes 478 miles of state and U. S. highways. State Highway Engineer D. C. Greer estimated low bids will total approximately \$8,000,000.

### January Building Permits \$7,100

The city issued three building permits here during the past month of January which amounted to \$7,100, according to Neomi Needham, city secretary.

The 1954 January total is below that of January, 1953, however only two permits were issued during the 1953 month. The total amount of those two permits was \$9,800.

Included in this month's list were Walter Wallace, \$600 for repairs; Woodson Lumber Co., a \$1,500 permit for building to warehouse and W. M. Price, who received a \$5,000 permit to construct a home.

### National Guard Unit To Receive Army Tank For Training Purposes

Lloyd Albertson  
Battery C, 649th Anti-aircraft Artillery Battalion will soon receive one of the Army's new M 19 twin 40 mm. gun light tanks for training purposes, it was learned through orders which the local National Guard Unit received early this week.

The exact date when the M 19 will be shipped to Battery C was not stated; however it is expected to be in the immediate future.

Weighing nine tons, the M 19 is classed as a light tank. It has two 40 mm. anti-aircraft guns mounted on a turret on top. It is the Army's newest type of weapon for AA units, and was used extensively in the war in Korea.

The M 19 will replace the single 40 mm guns with which Battery C's gun crews are now training.

night at the Episcopal Parish House. Anyone wishing to give money may make their donations to Gene Blake.

A meeting for arranging a door to door canvas was scheduled for Wednesday night.

### Mrs. Oscar Smith Dies Sunday; Rites Held Tuesday

Mrs. Oscar Smith, 59, of the String Prairie Community, died in Rosebud Hospital Sunday at 11:15 p.m. Mrs. Smith was born in Milam County and had lived in this county all of her life. She had been in ill health for the past six years.

Surviving her are, her husband, Oscar Smith of String Prairie community; four daughters, Mrs. L. H. Bradley of Spring, Texas, Mrs. Norvell Barnes of Houston, Mrs. Glenn White of Rosebud and Mrs. David McNeely of Calvert; and three grandchildren.

She is also survived by her mother, Mrs. Albert Weise and one sister, Mrs. A. H. Patzke, both of Route 2, Cameron and one brother, Joe Bailey Weise of Calvert.

Funeral services were conducted by Rev. Norvell Barnes, assisted by Rev. Thomas Davis of Calvert at the Chapel of Green Funeral Home in Cameron at 10 a. m. Tuesday, February 9. Burial was made in String Prairie Cemetery.

Pallbearers were Will Vaughan of Cameron, LeRoy Massengale of Maysfield, J. B. Allen of Rosebud, C. K. Lewis of Rosebud, W. C. Freeman of Maysfield, Gilbert Thweatt of Maysfield, Roy Weems of Cameron and Goldie Russell of Hearne.

### Henry L. Dakel Dies Saturday; Last Rites Held Sunday

Henry L. Dakel, 72, died suddenly at his home here at 6:30 a.m. Saturday, January 6. He was born December 9, 1881 in Milam County and lived here all of his life.

Funeral services were held Sunday, February 7 at 3 p.m. at the First Presbyterian Church with Rev. John Solomon, officiating. Burial was made in Oak Hill cemetery with Marek-Burns funeral directors in charge of arrangements.

Mr. Dakel is survived by his widow, Mrs. Henry L. Dakel of Cameron; two sons, Ernest Dakel of Baytown and Robert Dakel of Grand Prairie; one daughter, Mrs. Robert Busker of Lott; and two grandchildren.

He is also survived by two sisters, Mrs. Louise Jackson of Santa Rose, New Mexico and Mrs. Henry Eickenhorst of Cameron.

Acting pallbearers were Deacons of First Presbyterian Church. Honorary pallbearers were Elders of First Presbyterian Church and members of Sons of Herman and friends.

### National Guard Unit To Receive Army Tank For Training Purposes

Lloyd Albertson  
Battery C, 649th Anti-aircraft Artillery Battalion will soon receive one of the Army's new M 19 twin 40 mm. gun light tanks for training purposes, it was learned through orders which the local National Guard Unit received early this week.

The exact date when the M 19 will be shipped to Battery C was not stated; however it is expected to be in the immediate future.

Weighing nine tons, the M 19 is classed as a light tank. It has two 40 mm. anti-aircraft guns mounted on a turret on top. It is the Army's newest type of weapon for AA units, and was used extensively in the war in Korea.

The M 19 will replace the single 40 mm guns with which Battery C's gun crews are now training.

### W. J. Moore Resigns Position With A&M Poultry System

W. J. Moore, widely known Texas poultry specialist, has resigned his position as Extension Poultry Husbandman of Texas A. and M. College system as of

Mar. 1, and will become the Hy-Line Service Director for Texas.

Moore has been closely identified with Texas poultry improvement for most of his 38 years. He has been on the Poultry Husbandman staff since 1947 and full Poultry Husbandman since 1951.

He is the author of many magazine and newspaper articles and bulletins on poultry subjects, and has judged poultry at the State Fair and other shows. He is a member of the National Poultry Science Association, Poultry Improvement Board of Texas, Southern Agricultural Workers Association, and State Committee for the "Chicken of Tomorrow Contest."

Long before he acquired all these honors, (Bill) Moore was working toward them. Born and reared in Franklin County, he showed his bent when he chose poultry during his five years in 4-H Club and three years of FFA work. At Texas A. and M. he lived and worked on the Poultry Farm, was a "Distinguished Student" and president of the students' "Poultry and Egg Club" later earned his M. S. degree in poultry.

His first job was as Assistant County Agent of Hopkins County. He served as County Agent successively in Marion, Red River, Bee and Wilson counties.

### Rocky Reddehase Honored On Birthday

Rocky Reddehase, son of Mr. and Mrs. Herbert Reddehase of Clarkson, was honored on his second birthday by his parents at a birthday dinner given at their home Sunday, January 17.

Dinner guests were the little honorees' grandmothers, Mrs. Mary Henke of Burlington and Mrs. Bertha Hader of Ben Arnold. Also present were Mr. and Mrs. Fred Reddehase and daughter, Verna Mae of Temple, Mr. and Mrs. Ed Dashe and daughter, Verna of Burlington, Mr. and Mrs. Dick Henke and sons, Gary and Dickie, and Mrs. Henry Lierman of Clarkson.

Guests calling during the afternoon were Mr. and Mrs. H. A. Reddehase and Billy Ray of Ben Arnold, Mr. and Mrs. Dennis Klein and children, Eugene, and Virginia Ann, Mr. and Mrs. Lawrence Laffee and children, Lawrence, Jr., and LaNette of Burlington and Mr. and Mrs. O. S. Collins and Bill of Clarkson.

Rocky was presented with many lovely gifts.

### Belton Dam To Close About March 1

The Belton dam will be closed in about four weeks, according to Col. H. R. Hallock.

He said the dam would be ready for closing about March 1 and the Belton reservoir will begin to fill.

No formal celebration is scheduled at the time of the dam's closing, but one will be held later according to Frank W. Mayborn.

### Baptist Homemakers Class Meets Feb. 2

The members of the Homemakers Class of the First Baptist Church met for their monthly meeting Tuesday, February 2.

Mrs. R. B. Craddock gave the invocation and Mrs. John T. Ha-

use gave the Devotional. A prayer for the enlargement of God's Kingdom was also recited by the group.

The business session was under the direction of Mrs. Dan Gunn, president.

During the fellowship hour, refreshments were served. Several special musical numbers by Mrs. Gus Evans, Sr. were heard. Mrs. John Jinks gave the closing prayer. Mrs. John T. Hause is the class reporter.

### Ben Arnold People Observe Youth Week

In observance of Youth Week, Jan. 31, Feb. 7, the young people of the United Evangelical and Reformed Church, Ben Arnold, participated in the church service Sunday morning.

The young people of the church decided to observe Youth Sunday

at their regular Youth Fellowship meeting. This group meets on the second and fourth Thursdays of each month.

Those participating in the service were Joyce Hensel, Harvey

Lee Stall, Leola Lindeman, Barbara Ann Juergens, Maxine Schuetze, Raymond Lindeman and Bobbie Jean Baring.

## Boy Scout Program Is Outstanding Act Of Citizenship

One of America's far-reaching organizations, the Boy Scouts of America, is marking its 44th birthday during Boy Scout Week, Feb. 7 to 13. On this notable milestone we find the Boy Scout movement at its peak in membership.

Today 2,440,000 boys are enjoying the "game of Scouting" in its three distinct programs, Cub Scouting, Boy Scouting and Exploring, each appealing to boys of various age levels.

People seldom stop to think that this great work is made possible largely through the active sponsorship of the church, the school and other community institutions.

But perhaps even more significant is the fact that some 860,000 adults share their time as volunteer leaders with the boyhood of America.

Theirs is a devoted service. A large number have served for many years.

Boy Scout Week this year has been dedicated to honoring the Cubmasters, the Scoutmasters and the Explorer Advisors—the men who bring Scouting directly to the boys.

To them has been entrusted the care and guidance of boys and young men. It is their influence upon the Scouts of today, with whom they work and play, that help mould these boys and young men into better citizens

and better proponents of the American way of life.

These unselfish men who give leadership in Scouting are performing an outstanding act of citizenship. The nation owes them much.

## Lott Wins Jr. High Cage Tournament; Ada Henderson 2nd

Lott won the Jr. High Basketball tournament with Ada Henderson coming in second.

The finals Friday night saw the Ada Henderson team go down before the Lott cagers, 39-14.

The Ada Henderson gained the right to play in the finals by defeating Milano and Thorndale previously, while Lott advanced to the finals by beating the Yoe High freshman team.

In the consolation bracket, San Gabriel defeated Rosebud for the crown.

Members of the runner-up Ada Henderson team are as follows: Bobby Elliot, Ray Green, Charles Williams, Arthur Marak, Dwayne Jekel, Ladis Meyer, Clifford Swift, Burnes Thomas, John Wayne Josey, Make McDermott, Manuel Fleischer and Warren Rinn.

## "42" Leisure Club Entertained By Mrs. Henry McLane

Mrs. Henry McLane entertained the "42" Leisure Club Thursday afternoon at her home with all members present.

Mrs. Dede Payne was welcomed back into the club as a member.

Flower arrangements of narcissus and daffodils were in theme with the springtime refreshments served.

High score was won by Mrs. Dede Payne. Second high went to Mrs. Leo Laake with Mrs. Richard Hollas winning the "84" prize.

Table cuts were awarded to Mrs. Willie Mees, Mrs. August Kunz and Mrs. Leo Laake.

Don McGregor and Bob Civita, students at Rice Institute, are spending their mid-term vacation in the home of Mr. and Mrs. Homer McLane.

J. A. Mann was admitted to Newton Memorial Hospital on Thursday after suffering injuries from a fall. He was reported to be getting along fine Friday.

## New Ruling Outlined By Selective Service

Men delinquent with their draft boards who claim to be ministers of religion or conscientious objects no longer can be reported by their boards to U. S. attorneys for prosecution without approval of the director of Selective Service in Washington.

This is outlined in a new ruling from national Selective Service headquarters.

Draft boards formerly could report such men to U. S. attorneys when they failed to respond to an order to report for induction.

The new ruling reads in part as follows:

"Whenever a registrant who fails to comply with an order to report for induction has claimed that he is conscientious objector or a minister of religion, the local board shall forward the delinquent registrant's cover sheet through the state director of Selective Service to the director of Selective Service for review and a determination as to whether or not the registrant shall be reported to the United States attorney for prosecution.

"In such cases the local board shall not report the registrant to the United States attorney unless the director of Selective Service determines that the registrant shall be reported for prosecution."

Mr. and Mrs. Marshall Harris of Rockdale are the parents of a son born Sunday, Jan. 31 at St. Edward Hospital. The young man arrived at 8:55 p.m. and weighed 6 pounds, 7 ounces. He was named Kenneth Wayne.

Born Feb. 1 at 5:21 p.m. at St. Edward Hospital was Debora Kay, nine pound, nine ounce daughter of Mr. and Mrs. Claude D. Robinson of Rockdale. Mr. Robinson is a member of the staff of the Rockdale Reporter.

Miss Charlotte Collins, a student at Southwestern University in Georgetown, returned to school Monday after spending a Mid-term vacation here with her mother, Mrs. Inez Collins. Miss Collins is a freshman student there.

Billy Weideman, a sophomore student at John Tarleton at Stephenville, spent the Mid-term vacation here with his parents, Mr. and Mrs. W. J. Weideman. Billy is a Sophomore student.

Mr. and Mrs. Robert Michalka and daughter, Bridgett and Henry Michalka attended the funeral services of Mrs. J. P. Werner in Houston Monday. The two Michalka brothers were among the pallbearers who served at the funeral.

TRADE IN CAMERON

From where I sit... by Joe Marsh

## Wish I'd Said That

You know Miss Perkins. Well, she's been driving her own car around our town for a little more than 30 years.

The other day she had a bit of trouble parking down on Main Street. Didn't quite make it the first try, so she pulled out to start over when a fellow waiting to pass started tooting his horn impatiently.

On the second try, she was still having a little difficulty and so this smart aleck hollered, "Lady, do you know how to drive?" "Yes, young man," Miss Perkins answered, "I do. But I don't have time to teach you now."

From where I sit, it's not always easy to have a good answer ready when you need it. But when somebody insists that I vote for his candidate, for instance, or choose tea instead of a temperate glass of beer with dinner, I know the answer. It's all a matter of personal preference... and none of us like "backseat driving" from anybody.

Joe Marsh

He's about to get the **SURPRISE** of his life!..

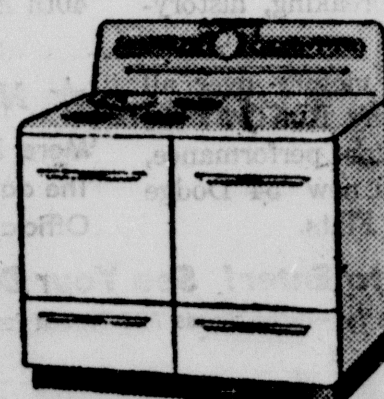

when he sees how little it costs to **Cook Electric!**

"For years we had been blind to the advantages of electric cooking... Then when I got my new electric range I found that the electricity for cooking costs only about one-half as much as I thought. And I've found that now it's so easy to keep my kitchen clean. With just ordinary washing my pots and pans keep that brand-new look. No longer does soot collect on my curtains and walls. And my new electric range is not only clean and economical, but it's easy to use and makes my meals taste so good."

See the electric range at dealers' stores.

be modern... go Electric!

TEXAS POWER & LIGHT COMPANY

NEWS FROM  
BURLINGTON

Mr. and Mrs. Ed Gunn of Cameron and their son, E. C. Gunn of San Marcos, attended the funeral.

Spending the weekend in Cameron from his studies at Baylor University was Max McClaren.

5 to 10 times as much

gas is used in a home during a winter month than in a summer month. Won't you please remember this when paying gas bills during the next several weeks?

Lone Star must maintain lots of reserves and extra machinery to meet your peak winter requirements.

And, as you know from weather bureau figures, over most of area served by Lone Star, January and December had considerably more heating weather than the same months a year ago.

We believe

our customers appreciate the fact we were one of the last to raise our price or rate. Rate was reduced in 1942. So the one raise made last year added very little more to the price charged during depression years. The average year around cost in average home is still about 16 cents per day.

Thank you!

Lone Star Gas Company

Here's Why Your Home Stayed Warm During the last "Norther"

When the worst "Norther" since 1950 swept into this community Wednesday, January 20, you had no fear of being cold. You took for granted that you could turn up your heaters, floor furnaces or central heating system and you would be warm.

From afternoon to midnight, temperatures fell from balmy 70's to bone-chilling 20's. Due to the rapid growth of the cities we serve nearly 100 thousand more homes were depending on us than when the last "Norther" as big as this one hit. More gas than ever before would be needed.

Lone Star Natural Gas Service comes to this and 421 other communities in Texas and Oklahoma through a 7,000 mile interconnected pipeline system. Over 1,300 wells in 165 gas fields supply the system. Twenty-five key compressor plants move gas under high pressure from fields.

PREPARATIONS FOR THE "NORTHER"

Gathering and delivering this gas to your and over 600,000 other homes is controlled by a central dispatching staff. This staff knew from Weather Bureau reports almost the minute the "Norther" would strike your community.

In 40 control points along Lone Star's system, dispatcher alerted hundreds of specialists in compressor, pipeline, gas measurement and production departments. Specialists who operate distribution systems in cities and towns were alerted.

Every precaution was taken. Regular crews were doubled in compressor stations and in gas fields. Extra mobile equipment was brought in to speed movement of men in gas fields. Special two-way radio equipment was sent out to speed communications in the field.

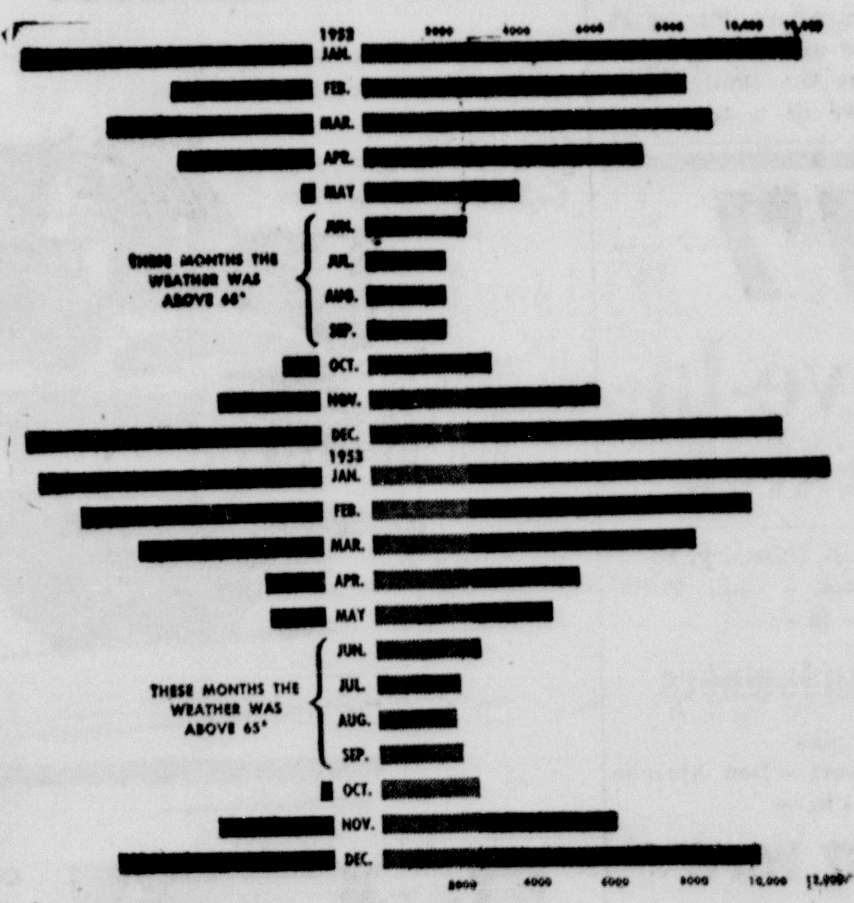

When temperature drops below 65 degrees everyone turns on their heating. For every degree the temperature falls past 65 degrees dispatchers know the amount of gas it will take to keep you warm.

CLOSE TIMING REQUIRED

On split-second timing as the temperature fell, gas from hundreds of wells was turned into field gathering systems. Gas stored in depleted fields was turned in, too. By night Lone Star Gas System was operating at near peak capacity.

Night and day for the duration of the cold wave the entire facilities of Lone Star Gas System were operating at or near peak capacity. During this "Norther" Lone Star Gas Company facilities served over 600,000 customers more efficiently than 10 years ago when we were serving about half this number. We are keeping abreast of the growth of the area we serve by providing in advance facilities that are necessary for dependable natural gas service

HOW WINTER AFFECTS YOUR USE OF NATURAL GAS

THE BARS ON THE LEFT in the graph above show the variation in heating weather for the last two years as revealed by Weather Bureau Reports. The bars on the right show the amount of gas an average home used each month. Gas for cooking, water heating and refrigeration is indicated in gray. Gas for house heating is indicated in black.

Last December for example, the bottom bars show that an average home used nearly 10,000 cubic feet of gas—7,500 cubic feet of it for heating. During extremely cold winter months, homes use up to six times as much gas as in summer.

Lone Star Gas Company

# LITTLE RIVER PHILOSOPHER CLAIMS HE KNOWS EXACTLY HOW TO CONTROL PRODUCTION WITHOUT USING QUOTAS

Editor's note: The Little River Philosopher on his Johnson grass farm on little river no doubt has nother unworkable idea this week, his letter will reveal.

Dear editor:

Some boy three farms over was flyin a kite out here the other day and when the string broke I kept my eye on it, figuring he might have made it out of a newspaper, and sure enough it fell within easy walkin distance of where I was sittin and I went over and picked it up and found it was made out of a copy of the Cameron Herald, which makes just as good a kite as any newspaper in the United States.

I took it around to the south side of the barn and sat down in the sun and before I'd gotten myself situated comfortably I noticed an article by an expert who said the world's population is increasing so fast the problem of farm surpluses will soon disappear and it'll be a mad scramble to product enough to feed everybody.

The population of the world now is two and a half billion, includin the slaves Russia has workin in Siberia, and this expert estimates it'll be seven billion within the next 100 years, and people will be clamoring for every scrap of food and fibre a farmer can grow, which of course will put an end to acreage controls, etc.

While this is encouragin news, I don't believe I can wait that long. The fact that whoever is occupyin this Johnson grass farm out here 100 years from now is gonna be in clover is not much use to me. Also, I doubt if all the butter we got stored up in this country will keep that long.

And also, I don't have that much confidence in experts. Say the farmers pull in their belts and wait around a hundred yerars for the world's population to reach 7 billion, and it winds up only 3 billion? There's gonna be a mighty lot of disappointed farmers. Predictin the population is sometimes as hard as predictin an election, it's hard to say what people are gonna do.

The trouble with farmin is you have to do it right now. I've tried spendin the profits I'm gonna make next year, and it won't work.

However, I have been givin the problem of surpluses and the need for acreage controls some heavy thought lately and I believe the government is approachin the prblem from the wrong angle.

Instead of limiting the number of acres a farmer can plant, why not limit the number of hours he can work? Then we'd be gettin somewhere. Forget about the acres and acreage controls, and put the limit on the running hours of a tractor. It

would eliminate measurin land, settin up complicated rules, and then checkin to see everybody stayed within his allotment. Just put a time clock on everybody's tractor and, when production gets out of hand, limit the hours a man can go up one row and down another. Or if this won't work on account of some people feel guilty if they ain't goin from sun up to sun-down, have a special rullin for these people requirin em to use only one-row equipment instead of three and four-row. The four-row cultivator probably has done more to create unwiedly surpluses than any other one thing.

I don't know why, but controlin production shouldn't be such a problem, if the officials would keep in mind the best way to do it is to cut down on work.

Your faithfully,  
J. A.

**FINE-CAR POWER CONTROLS\***— Pontiac offers you all of the modern power and driving conveniences—improved Power Steering, new Power Brakes, new Electric Window Lifts, Air Conditioning and the famous Dual-Range Hydra-Matic Drive.

**COMFORT-CONTROL SEAT\***—There's perfect comfort for any driver with Pontiac's exclusive, fully adjustable front seat that moves forward and backward, up and down and tilts at a touch. \*Optional at extra cost.

## Never has a low price bought such quality and performance!

Do just two things and you'll make a fast and firm decision that Pontiac is your best buy.

First, get behind the wheel and drive the new 1954 Pontiac Chieftain. You'll be very pleasantly surprised at its spectacular performance and its marvelous ease of handling. Look around you at all the features that speak of quality—luxurious fabrics, fine-car appointments, extra conveniences everywhere. And remember that Pontiac's quality is most evident in its acknowledged reputation for long, dependable, economical life—assurance that Pontiac's low first cost is matched by minimum operating and maintenance expense.

Now price Pontiac! You just can't buy more quality or finer performance anywhere near Pontiac's price—a price so low that you can have all of Pontiac's new power options and still spend less than for standard models of many makes.

Come in at your first opportunity. Drive Pontiac and you'll want it. Price Pontiac and you'll buy it!

dition. Priced cheap. Call 659-J. 44-1tc.

## CONTRACTORS NOTICE

Of Texas Highway Construction  
Sealed proposals for constructing 7.102 miles of Gr., Strs., Base and Surf. from Buckholts to Yarrington on Highway No. FM 485, covered by R 262-7-3, in Milam County, will be received at the Highway Department, Austin, until 9:00 a.m., Feb. 17, 1954, and then publicly opened and read.

This is a "Public Works" Project, as defined in House Bill No. 54 of the 43rd Legislature of the State of Texas and House Bill No. 115 of the 44th Legislature of the State of Texas, and as such is subject to the provisions of said House Bills. No provisions herein are intended to be in conflict with the provisions of said Acts.

In accordance with the provisions of said House Bills, the State Highway Commission has ascertained and set forth in the proposal the wage rates, for each craft or type of workman or mechanic needed to execute the work on above named project, now prevailing in the locality in which the work is to be performed, and the Contractor shall pay not less than these wage rates as shown in the proposal for each craft or type of laborer, workman or mechanic employed on this project.

Legal holiday work shall be paid for at the regular governing rates.

Plans and specifications available at the office of Joe G. Hanover Resident Engineer Hearne, Texas, and Texas Highway Department, Austin. Usual rights reserved. 43-2tc

Mr. and Mrs. Delma Meek and family.

## MOD Takes In \$6,758.54 To Set New High

Mrs. Cynthia Saage, chairman of the Milam County March of Dimes, reported Wednesday morning that the present county total contributions were \$6,758.54. Mrs. Saage added that this was a new time high and the 1954 amount exceeded the 1953 total amount, which was \$5,200.

Mrs. Saage said the help of every community chairman and campaign workers was the key to success in this year's drive.

The county chairman stated that more contributions are coming in and the final total is expected to be higher when completed. In closing her report she wished to express her appreciation to all of the residents of Milam County for their contributions. She also wished to thank all of the volunteer workers and

chairmen for their time, effort and extra work spent in this year's drive. Milam County showed that it wanted to help in the fight of this disease and the 1954 motto, "More in '54" was kept.

Fertile soil is always a part of a strong nation.

## 14th Annual Meeting Of FHA To Be Held Feb. 16 In Cameron

The 14th Annual Meeting of FHA families will be held Tuesday February 16, at the Educational Building, First Baptist Church, Cameron, it was announced today by Roy Wright, County FHA Supervisor. The meeting will begin at 10:00 a.m. and hold through 3:00 p.m. Wright said 50 to 60 who now have or have previously had loans to purchase and improve farms are expected to attend.

The group will bring a basket-lunch and spend the day in discussing their last year's business and making plans for the coming year.

Wright said that financial analysis of the groups records brought out these points during 1953.

1. The group had a net worth loss of \$544.00 over 1952, which is accounted for primarily by a sharp fall of cattle prices, which is reflected in the farm inventory.

2. Net cash farm income decreased from \$1656.00 in 1952 to \$1436.00 in 1953.

3. They made an average of 1.62 payments on their farms during 1953.

4. Cotton yield for 1953 was 226.4 lbs. of lint per acre as compared to an average of 178.6

for 1952.

5. Corn yield for 1953 was 26.5 bushels per acre as compared to 28.8 for 1952.

One group of farmers almost without exception lost money from farming in 1953, Wright said. This was those who are part-time farmers or have other jobs in town. This indicates that to be a success at farming these days you have got to be a full-time operator. The farming operation usually gets neglected when the farmer has another job.

## Local Schools To Stage Intra-Mural Boxing Meet

It was announced Wednesday by Coach Leo Jackson that an intra-mural boxing tournament will be held for Yoe High School and Ada Henderson School.

The tournament will be staged on two different nights, with the first beginning on Friday, February 19. The finals will be held on Monday, February 22.

A weight division of 85-95; 95-105; 105-113; 113-118; 118-126 and 126-138 will be held for Ada Henderson entries.

The Yoe High School entries will be classed as follows, 112, 118, 125, 136, 147, 160 and 175.

The winners of the final bouts will be presented a gold glove and named school champ.

Coach Jackson said entries were coming in from both schools and a complete list will be released at a later date.

## Presbyterian Young People To Stage Chili Supper Tuesday

The young people of First Presbyterian Church are staging a benefit "Chili Supper" at the church basement Tuesday, February 16.

Supper will be served during the hours from six until eight.

The menu will consist of chili, pie and cold drinks or coffee.

The public is cordially invited to attend this benefit supper.

### CARD OF THANKS

We wish to express our heartfelt thanks for all the kindness and love shown at the death of

## Cameron Gives \$2,117.56 to MOD

The 1954 March of Dimes Drive in Cameron is approaching the completion of the campaign, according to Rev. John Solomon, pastor, First Presbyterian Church, and chairman of the local drive. Rev. Solomon reported that coin collectors were gathered last Monday, and the total amount contributed was counted.

Up to the present, \$2,117.56 has been given to the March of Dimes. Rev. Solomon said that the total amount is not complete yet, as a little more is expected to come in. Monday night the Explorer Scouts of Milam County will sponsor a benefit "42" Party at Simon-George Hall for the March of Dimes, and the Chairman also said a few more contributions will still come in.

He added that if any one still wished to contribute, he may do

so by either contacting him or sending in their contributions.

Rev. Solomon said the total included the following contributions:

Mother's March on Polio, \$1-125.55; \$199.82 collected from the three local schools; an amount of \$376.43 returned with envelopes that were sent out and \$183.20 collected from the coin collectors in local business houses. The remaining of the total was received from individual collections and contributions.

In completing his report, Rev. Solomon said a deep vote of appreciation is sent out to all who responded to this vital effort to combat this dreaded disease, not only to those who contributed, but to those who worked in other ways to make this a successful campaign in Cameron.

## Court Rules In Favor Of Duett In District Court Civil Case

The Civil case of Sam Reiger, et al, plaintiff, vs. A. T. Duett, et al, defendant, came to a close Tuesday afternoon at 2:30 with District Judge O. D. Graham ruling in the favor of the defendant.

A jury was selected and all testimony completed Monday in the Milam District Court. The Judge's charge and argument was heard and completed Tuesday morning.

The case arose out of an accident which occurred in October of 1952 in Thrall.

Attorney for the plaintiff was J. W. (Jim) Miller of Cameron. The defendant's attorney was Philip Kelton of Dallas.

Members of the jury included Rip Woods, Earl W. Volding, A. A. Goehler, R. A. Michalka, Allen Dodson, C. C. Gest, Joe Ford, Ollie Mode, Ed McGuire, John L. Forbis, Leroy Laferre and G. C. Crooke.

## Dr. John E. Boyce Completes Insurance Examiners Course

John E. Boyce DC, local chiropractor, was awarded the Certificate of Proficiency after successfully completing the Insurance Examiners Course, which is under the auspices of the Dallas County Chiropractic Society.

According to George Huff, D. C., director of Insurance and In-

our husband and father, Henry L. Dake.

We are also grateful to those who sent flowers and food.

May God Bless each of you.

Mrs. H. L. Dake.

Mr. and Mrs. E. L. Dake.

Mr. and Mrs. R. L. Dake.

Mr. and Mrs. Robert Busker

## Lionel Provasek And J. C. Marek Honored On Birthday Feb. 4

Mr. and Mrs. Alice Evard entertained with a birthday party at their home Thursday evening honoring Lionel Provasek and J. C. Marek on their birthday.

The dining table was centered with a large birthday cake, and on either side were two silver candle stick holders with red candles. A buffet supper was served with the menu consisting of fried chicken, sausage, potato salad, spaghetti, English peas, pie, kolaches, tea, coffee and the birthday cake.

Following the serving of the meal, games of "42" were enjoyed by those attending.

Present were Mr. and Mrs. Rudolph Provasek and daughter, Betty Joyce, Mr. and Mrs. Charlie Matula and children, Charles and Rose Mary, Mr. and Mrs. Melvin Provasek and two children, Mr. and Mrs. Monroe Marek and daughter, Janet, Miss Cecie Nell Fikes, Mrs. J. C. Marek, the honorees, J. C. Marek and Lionel Provasek, Frank Heitman, and Mr. and Mrs. Evard and son Archie.

Lionel Provasek is presently stationed with the Air Force in Oklahoma, and he is now at home on leave.

Both honorees received gifts from those present.

## Delphian Club Meets Tuesday At Home Of Mrs. W. R. Newton

Ms. W. R. Newton, Sr. was hostess to the Tuesday meeting of the Delphian Club. Spring flowers were used throughout the party rooms.

Miss Mildred Thornton, president, presided during the business session. The program was a panel discussion, "Is Religion Necessary in Home". Leader of the panel was Jimmie Asher, in the absence of Mrs. Jimmie Asher. He was assisted by Mrs. J. D. Eplen and Mrs. F. S. Lesovsky.

Points brought out during the discussion were that "Children are mirrors reflecting the teachings and training in the home, and therefore, Christian religion is a necessary part of the family home life."

Following the program, the group was invited into the dining room for refreshments. The dining table was covered with a cloth which was given to Dr.

Newton by a Mexican General, whose life he had saved at one time. It was centered with an arrangement of magnolia leaves and red berries.

Miss Elizabeth Newton served the cake squares which were decorated with red hearts. Miss Joyce Nicholson assisted at serving the hot spiced punch. The hostess also served sandwiches and salted nuts.

Guests attending were Mrs. J. A. Smith, Sr., Mrs. M. G. Cox, Mrs. David Shapiro, Mrs. Joe Denson, Mrs. E. A. Flinn and Mr. Asher.

The next regular scheduled meeting will be held February 16 with Mrs. John Solomon, hostess. Acting as co-hostess will be Mrs. J. D. Eplen. Miss Mary Randolph will lead the program, "Conservation of National Resources."

## Mrs. I. R. Glenn Honored on 85th Birthday January 31

Mrs. I. R. Glenn celebrated her 85th birthday Sunday, January 31 with a birthday dinner given in her honor by her son and daughter-in-law, Mr. and Mrs. Robert Glenn.

Potted plants were used throughout the rooms for decoration. The dining table laid with an Irish linen cloth was centered with the white birthday cake which was decorated with pink icing and green leaves, nestled in a bed of maiden hair fern dotted with pink hearts.

Members of the family present for the occasion were children, grandchildren and great-grandchildren of Mrs. Glenn who were Mr. and Mrs. E. R. Glenn of Waco; Mr. and Mrs. R. L. Clapp and daughter, LaRue, of Sulphur Springs; Miss Marjorie Ann Clapp of Fort Worth; Mr. and Mrs. J. D. Lewis and children, Lonnie Dean, Vickie and Terry of Dallas; Capt. and Mrs. George B. Bennett and son, Barry of Connally AFB, Waco; Mr. and Mrs. Robert Glenn and son, Bobby.

Other friends and relatives present were Mrs. Jerry Blasien of Calvert and Mrs. Claude C. Story. Several friends called during the afternoon to wish her many happy returns of the day.

Bryce McClellen, Baylor University student recently spent the night with his parents, Mr. and Mrs. H. B. McClellen.

## St. Rita Circle Meets Wednesday At Simon-George Hall

Mrs. D. J. Kubecka and Mrs. W. W. Balhorn were hostesses at the regular meeting of the Saint Rita Circle last Wednesday afternoon at Simon-George Memorial Hall.

Mrs. Willie Mees presided during the meeting was opened with a prayer. After a short business session the members took up the study of the Bible which was led by Mrs. Mees.

Mrs. Kubecka and Mrs. Balhorn served refreshments of doughnuts and coffee.

## Minerva Accident Involves Car-Truck Friday Afternoon

An accident occurred on U. S. High 77 1-2 miles South of Minerva, Friday at about 1:30 p.m. as reported by Cameron Highway Patrolmen John Blansit and Otis Hilderbrand.

Involved were Jay Wayne Boyd 21 of Waco driving a 1953 Chevrolet, owned by Mrs. W. W. Taylor of Waco, who was also a passenger in the car, and a 1953 Ford Dump-truck, driven by Charlie Wilson Barfield of Cameron.

Blansit said that both vehicles were traveling North. Following Boyd's car was F. H. Holcomb of Rockdale, but the Holcomb auto was not involved in the collision.

The officer said Barfield was attempting to pass the two cars and failed to see the left turn signal given by Boyd. Seeing that he would hit the car broadside, Barfield applied his brakes and rolled the truck. The left side of the Chevrolet was hit. Barfield's truck rolled over on its side.

Barfield was taken to St. Edward Hospital by Phillips and Lucky ambulance of Rockdale where he was treated for internal injuries and bruises. He was

released Saturday morning. Mrs. Taylor and Boyd were not injured.

Officer Blansit reported that the car suffered heavy damage but only slight damage was received on the truck.

Barfield is employed with the street project in Rockdale.

## Approaching Marriage Of Miss Green Announced

Mr. and Mrs. Charles F. Green, 3212 Kerby Lane, Austin, have announced the approaching marriage of their daughter, Miss Ann Lewis Green, to Ralph Leslie Stanley.

Both bride-elect and her fiancé are graduates of Austin High School. She is a freshman business administration student at Southwestern University, Georgetown, where she is a Delta Delta Delta Society pledge.

Mr. Stanley, who is the son of Mr. and Mrs. Frank W. Stanley, 1208 S. Lamar, is connected with Safeway Stores.

The wedding, which will be at high noon on Valentine's Day, February 14, will be an informal affair at the bride's home with only the family present. The Rev. Dan Grieder will read the marriage rites.

Miss Green is the granddaughter of Mrs. C. N. Green of Cameron.

There are over 250 Scout Units organized in institutions for delinquent and Socially retarded boys.

7,991 Boy Scouts have won awards for high standards of religious service.

District Golden Gloves

# Baggerly And Angell Win Crowns In Tournament; Team Wins Trophy

After trailing by one point during the entire District Golden Gloves tournament in Temple, the Yoe High School boxers came through during the last fight of the night to win the team trophy with 35 points. Temple's high school boxers were runners-up with 34.

Freddie Fleischer of Cameron and Buddy Cooper of Belton opened the night's fights in a welterweight semi-finals bout.

Both boys spent the first round getting acquainted with each other and the southpaw style of Fleischer stymied Cooper for a time.

But in the second and third rounds Cooper used a one-two punch to good advantage, although taking a number of good left jabs to the head. Cooper took a booted split decision over Fleischer.

A couple of local lads, Buddy Thompson and Henry Brown tangled in the other welterweight semi-finals bout.

Brown had a slight edge on Thompson in reach and held off the little buzz saw with a stiff left.

Thompson started getting to Brown with a looping right in the third round and had his mouth bleeding by the bell.

Brown had built up a slight lead and took a narrow decision over Thompson.

Again it was two Cameron boys battling, this time for the featherweight championship.

Alvin Baggerly and Thomas Raymond had it out with Raymond going down from a left hook in the second.

The unanimous decision went to Baggerly.

Arnold Warren of Cameron and Reuben Garcia of Temple met in the middleweight championship battle.

Garcia tagged Warren with a heavy right early in the first round and then put him to his knees a little later on the cante.

The weaving-bobbing Warren couldn't stay away from a hard right and went down for the count in 35 seconds of the second round.

The last fight of the night brought Buddy Cooper of Belton and Henry Brown of Cameron back for the welterweight finals.

Cooper had Brown's mouth bleeding by opening a cut suffered in the first fight of the night and he won on a unanimous decision.

Billy Angell of Cameron won the heavyweight crown when Junior Zoltz of Cameron forfeited

because of a bad thumb. Included in the Open Division is Charles Blackmon of Cameron. Blackmon will be eligible for the Austin meet and is in the light heavy-weight class.

In the high school division Belton came in third with 21 with Killeen trailing with 12 points. The Yoe High School boxers are coached by Leo Jackson, and the team will receive a trophy for compiling the largest number of points during the meet.

## FARM BUREAU —

(Continued from page 1)

Farmers and Ranchers who wanted to see the future of agriculture and ranching grow.

The present organization grew from a handful of members to a present membership of some 1,000 members.

S. W. McClaren, Jr. was elected as the first president of the Farm Bureau here in Milam County and served in that capacity until 1951 when he was elected to serve on the State Board of Directors of the Texas Farm Bureau, which place he still holds.

Dennis Klein of Burlington, was elected to fill the unexpired term of McClaren and he was re-elected to serve as the county president in 1952. Klein continued to serve until November of 1953 when John A. Smith, Jr. of Cameron was elected president of the organization.

On organizing the county organization a part time office was opened in Cameron and was served by Mrs. Mabel Elrod and later by Mrs. Jessie M. Wimberly, who each also served the organization as secretary-treasurer.

In 1951, Wm. F. Arthur was employed as full time Service Agent and in December, 1952, a full time office was opened. Miss Lenora A. Bickett was employed as secretary-bookkeeper and she is now also serving as secretary-treasurer.

The county office is now open six days a week from 8:30 a.m. to 5 p.m.

Other officers elected last November were Robert Jungmann, 1st vice-president and Bruce Lindsey, 2nd vice-president.

In December of 1953 due to the increased membership during the past year and large volume of business gained through the Service Program a committee was appointed by the president to revise the Constitution and By Laws to meet the present needs of this fast growing organization.

A Board of 26 Directors made up of interested farmers and

ranchers who are members of the Milam County Farm Bureau serve as members of this Board.

Erosion is our constant enemy.

There is no more good virgin soil. Build the soil.

## Election Of Sharp High School Favorites Completed

## WE, TOO, HATE

### 'HIGH COFFEE PRICES'

They're bad for coffee users. And bad for us, too, because our business prospers most when we can offer all foods at low prices.

Unfortunately, we have no control over the high costs of green coffee imports which are forcing store prices up. Basically, they result from increased use of coffee and two years of small crops in Brazil. We hope prices will return to normal when the 1954 crop reaches market. In the meantime, we do have a suggestion which we hope you will find helpful.

Here's A Way To Save Up To 10¢ Per Pound On Coffee and Still Enjoy Top Quality:

Because Airway and Nob Hill coffees are packed in paper bags, they can be sold at several cents per pound less than vacuum-packed coffees. These two popular blends are protected in the whole bean — Nature's own package — until you get them at Safeway. Then, you simply set our handy automatic grinder, empty bag into hopper, flip a switch, and smell the fragrant coffee as it pours back into the bag — fresh-ground, just the way you want it.

Why not choose the blend that suits your family best and start enjoying top quality coffee at real savings? Here are today's prices:

**Airway 88¢**  
Coffee

1-Lb.

**Nob Hill 90¢**  
Coffee

1-Lb.

Mild and mellow — all Brazilian Rich and aromatic blend

**SAFEWAY**
